Theresa Daniel attended the annual *Chrism Mass* held at St. Joseph's Cathedral, Tuesday March 26. Thank you for representing Our Lady of Mt. Carmel church parish & receiving the oils which will be used for sacraments & dedications. These include the oil for the catechumens, the oil for sick, & the oil for the sacred chrism, which is the primary anointing oil. The word "*chrism*" means "**consecrated oil**." It is used in the sacraments of initiation/Confirmation & Holy Orders as well as special acts of dedication, such as consecrating a new altar & blessing church bells upon their installation. Chrism oil is olive oil mixed with balsam. The oil symbolizes strength, & the balsam represents the "aroma of Christ." (2 Corinthians 2:15) Anointing with Chrism oil signifies the gift of the Holy Spirit. It is used to consecrate someone or something to God's service. These oils are blessed & consecrated at this annual Mass as a sign of our unity as one Church. The anointed oils will be used for the next 12 months. Oils left over from the previous year are removed & replaced with the new oils in the **ambry** which is located near the entry of Church. In Latin "*armaria*" means "**cupboard**". Any unused Chrism from the previous year must be burned. The oil of the sick & catechumens is merely blessed olive oil with no additional fragrance added & is not consecrated like the Chrism oil, it can be thrown away or used for other purposes. This Chrism Mass takes place every year during Holy Week, & it is an important moment in the life of the local Church. During the Chrism Mass, Catholic priests renew the promises they made at the time of their ordination. They promise to respect & obey their bishop, & to live the chaste life that is proper to the clergy.
